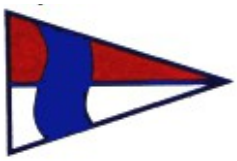
# South Shore Yacht Club Junior Sailing 2021



## *Come along & sail with us this summer*

## *Overview;*

-We offer first class sailing instruction from our certified US-SAILING Instructor/s at a reasonable cost to all kids on Quincy bay from ages 8 to 18.

- Kids get instruction every day in 2 sessions with a lunch break in our club owned and maintained Turnabouts & C-420 sailboats
- What really makes our program stand out from the rest is all of the other fun sailing opportunities that we do during the season, Things like a "Big Boat" lunch cruise & swim over to lovely Worlds End, an Ice cream cruise in our Jr. boats over to Grape Island, Spinnaker sail & practice day in "Big Boats", Pizza party/s, a chase race & new for this year even a waterfight.

***Our Objective*** here is to show our kids a broader view of life on the water & what sailing all about Fun, fun, fun, while we hone their skills & knowledge of seamanship & sportsmanship.

**Racing** of course is a big part of every sailing program and we bring our kids around to major events on the bay. Our kids have a great time, make new friends and always do us proud both with their race results & their level of sportsmanship. Last running of Quincy Bay Race Week for instance, our kids won both of our classes and took home 2 out of 3 division firsts in the Turnabouts.
