

## South Shore Yacht Club Junior Sailing 2023

**Come along & sail with us into our 48 year this summer**

### **Overview:**

- We offer first class sailing instruction from our certified US-SAILING Instructor/s at a reasonable cost to all kids on the bay from ages 8 to 18.
- Kids get instruction every day in 2 sessions with a lunch break in our club owned and maintained Turnabouts & C-420 sailboats
- What really makes our program stand out from the rest is all of the other fun sailing opportunities that we do throughout the season that other clubs just cannot offer. Things like a “Big Boat” lunch cruise & swim over to lovely Worlds End, an Ice cream cruise in our Jr. boats over to Grape Island, Spinnaker sail & practice day in “Big Boats”, Season end Pizza party, a chase race in our jr. boats & even a water fight.

**Our Objective** here is to show our kids a broader view of life on the water & what sailing is all about Fun, fun, fun, while we hone their skills & knowledge of seamanship & sportsmanship.

**Racing** of course is a big part of every sailing program and we bring our kids around to major events around the bay. Our kids have a great time, make new friends, and always do us proud both with their race results & their level of sportsmanship. Last couple running's of Quincy Bay Race Week for instance, our kids won their classes and took home plenty of silverware while making new friends.
